

CLIENT OF THE YEAR

Giannina Callejas

Giannina is a woman of action and determination. Six years ago, she came to OnTrack ready to do whatever it took to realize her goals. Since then, she has fully embraced every opportunity and program that support those goals – including **getting out of debt, building savings, improving credit, and buying a home!** Giannina is an inspiration to us all!

Giannina says: "Working with OnTrack gave me knowledge. Knowledge is **power!** The power to take control of my financial goals and my financial decisions. At 23, I **built my savings**, at 24 I was **100% debt free**, at 25 I became a **homeowner** and at 25.5 (lol) I bought my dream car. I became a VITA tax volunteer. Now I have the tools, support, and confidence to file my own taxes. All of this

with the support of OnTrack's Staff, the friendly faces to call if you were in doubt or your cheerleaders when you **achieved your goals**. I am beyond grateful for what OnTrack gave me. Financial freedom is less about finances and more about **Freedom**."

Tamara Olmedo, Financial Counselor, says: "Giannina is both a force and an inspiration. **Her candor and drive** are evident in everything that she does. Not only was she proactive in seeking the tools she needed for her own financial growth, but I've also had the opportunity to witness some of that same **passion and determination** in the work she does to empower those around her. Giannina can take a vision and connect the pieces to bring it to life. **She is nothing short of amazing!**"
