

CLIENT OF THE YEAR

Dianna Ryel-Lindsey

Dianna is the Spanish Liaison and Family Advocate at Verner Center for Early Learning, and her first OnTrack experience was in **Homebuyer Education** a few years ago. That flowed into the **SECURE savings program** and incredible connections with Verner Families.

Dianna says: “I didn't know that working with OnTrack would lead to the **life-changing event** of owning my own home! I am grateful for OnTrack's guidance. I'm grateful for learning about credit and saving; thus, persevering, knowing **this is possible!** I'm grateful for the familial tribe of support surrounding

us: Jaime, Oliver (and the cats) and me. To this day, I am in awe with joy at the **perfection of this home for us**, many elements aligned, with room to be together creating lifetime, family, loving memories. OnTrack is the type of resource that I share easily knowing that my clients will be well cared for, and OnTrack helped to **empower my personal home ownership journey.**”

Pete Wrublewski, previous SECURE Program

Coordinator, says: “I had so much fun working with Dianna and witnessing her incredible successes in the SECURE Program—and beyond! I was so impressed with her wonderful optimism, exuberance, and drive. I thoroughly enjoyed every exciting update she shared with me, from her graduating the SECURE program to buying a beautiful home! Dianna is a FORCE!!”

Congratulations Dianna!
